### Summary:

Award-winning Photographer and Filmmaker with more than 15 years of experience.

Specialised in conflict zones in the Middle East, Africa and Asia my work has regularly appeared in publications such as The New York Times, Al Jazeera, HBO or TIME, among others.

My projects are mainly focused in social issues, environment, gender equality, development and conflict. In recent years my work has been extended to cinema, directing several documentaries and short films. Based in Barcelona, I am now combining my professional projects with teaching photography and cinema in several schools.
