

NOU—STUDIOS
S—NOU

S—NOU

Multidisciplinary spaces for creatives
focused on unique interior design
for content creation.

S—NOU

A 350sqm open space with cyclorama and a height of up to 6m. Skylights with automatic blackout distributed through out offering plenty of natural light.

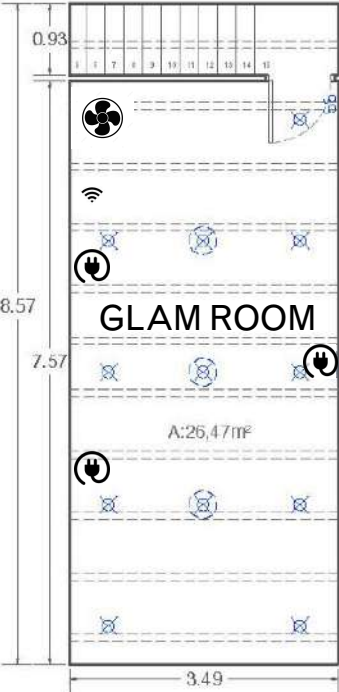

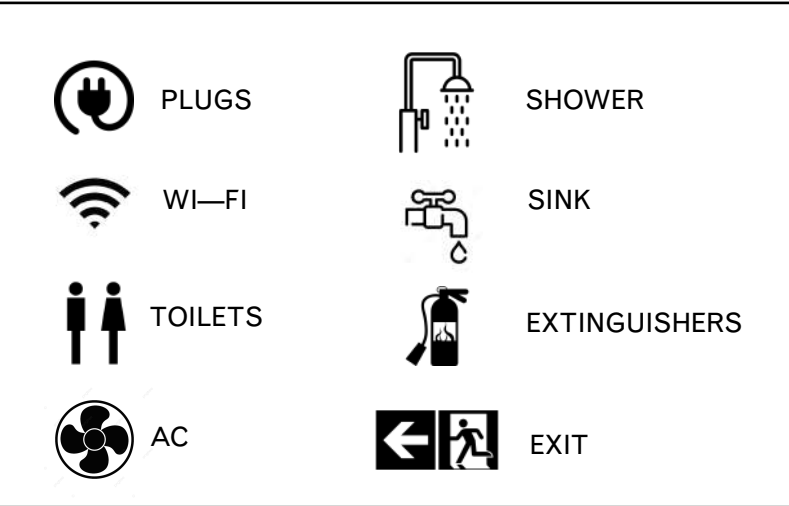

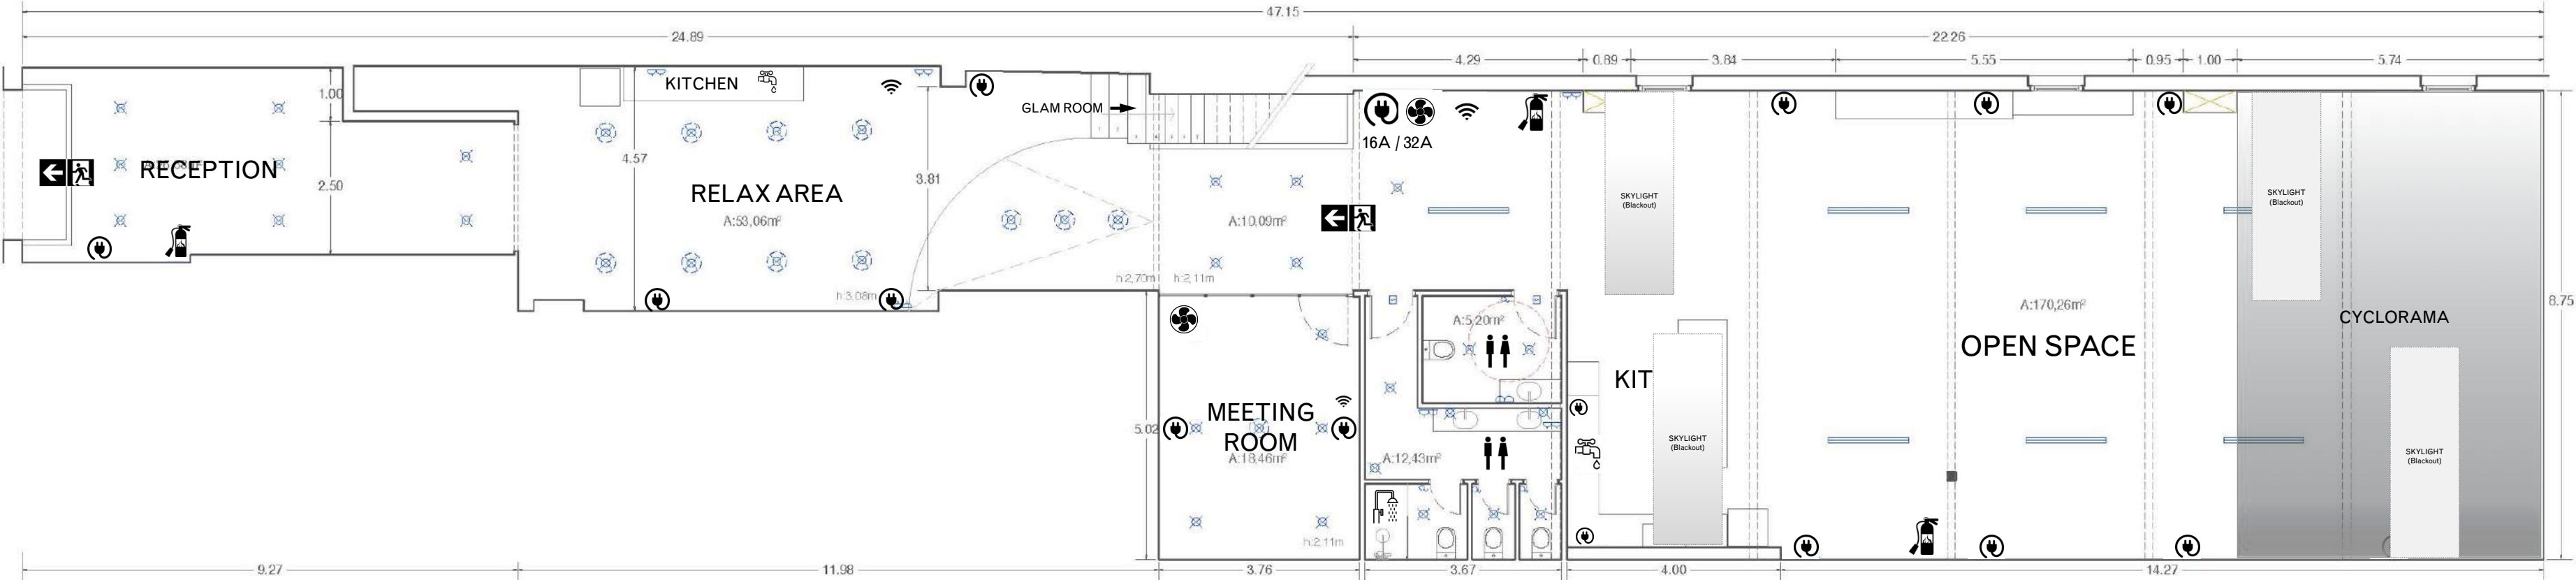

Two fully equipped kitchens with appliances, water points and bathrooms with a private shower. An independent glamroom, private production room and a street level entrance with a reception. We are perfectly suited for a wide range of digital content productions from digital campaigns, social content, to e-commerce, across still & motion.
